Re: Colbert Landfill, Past Costs

Dear Mr. Scott:

We understand that Spokane County is complying with the Colbert Landfill, Consent Decree, signed on February 28, 1989, which states (page 28):

B. Federal Costs

1. Past costs. Spokane County agrees to reimburse the appropriate account as identified by EPA [U.S. Environmental Protection Agency] for EPA's reasonable and appropriate costs, including direct, indirect and oversight costs along with interest, expended prior to September 30, 1988. Said past costs shall be shown by an itemized statement of such costs compiled and presented by EPA to Spokane County. Spokane County shall pay such past costs within four years of the entry of this Decree.

In July, 1989, EPA sent the itemized statement of costs to Spokane County for payment. Payment of this bill was due to be paid by February 28, 1993.

Since 1989, the mailing address for the payments has changed. We have enclosed a bill which correctly identifies the current mailing address:
